

6. How can a Neurologist learn more about the advantages to of hiring an Advanced Practice Provider (APP)?

The AAN has two recorded webinars available that can provide a good foundation on working with APPs.

2014 Webinar: [Working Effectively with Advanced Practice Providers](#)

2013 Webinar: [Working with NPs and PAs to Maximize Office Productivity](#)

You can also sign up to be mentored by another neurologist who has added an APP, or worked with APPs in the past on the AAN's [Mentor Connect webpage](#).
